

Curriculum Vitae

Correspondence Address

Eljilani Mohammed Eljilani Ali
Department of Computer Science
Faculty of Science
Sebha University
Sebha, Libya
Homepage: www.jilani.ly
E-mail: jilani@jilani.ly
cc: jilani@sebhau.edu.ly
Office: +218712637944
P.O Box: 19971 Sebha, Libya

Education

2006 - 2007: Master of Science (Intelligent System)
Faculty of Information Technology, University Utara Malaysia.

1998 - 2002: Bachelor of Science (Computer Science)
Faculty of Science, Sebha University.

Publication

Eljilani Mohammed (2010) "*Web Usage Pattern Extraction: A study on online Database*" The Third International Conference on the Applications of Digital Information and Web Technologies, ISSN 0976-3503 (ICADIWT 2010).

Award certificate

Preparation of administrative leadership in contemporary local governance, Award certificate for the year 2010, The Council National Economic Development.

Applying PHP with MySQL. Award certificate for the year 2007, Back2True Cooperation, Syria.

Applying Data Mining Techniques using Statistical Analysis Software (SAS) Enterprise Miner. Award certificate for the year 2007, Kedah, Malaysia.

Working Experience

2009: Member of staff Department of computer science, Faculty of science, Sebha University.

2008-2009: Web master, Sebha University, Computer Center, Sebha Libya.
www.sebhau.edu.ly, www.itc-sebhau.net.

2008: The Development of integrated medical system, Almanar clinic, Sebha, Libya

2008: The Development of my Teaching Content System (e-portal),
www.jilani.ly, <http://www.eportal.jilani.ly>

2005-2006: Systems which have been developed by applying Delphi Language programming:

- Expenses unit System, Sebha University.
- Storage and Sales System, Photographic's Almasa.
- Storages System, Aljuada Market.
- Reception System, Waha Hotel.
- Emergency System, Hospital 2 March.
- Financial Department System, Public Utilities Office.

2004-2006: Design and configuration Networks , Computer Center, Sebha University. Been installed many networks in both with workgroup:

- Faculty of Dentistry.
- Central Library.
- Faculty of Arts.
- Faculty of Sciences.
- Staff Members office.

Organisation

Member of Libyan Association for Artificial Intelligence (LAAI).

Technical Skills

Technology: Data mining, Web Mining, Multi agent system, Ontology, Artificial Neural Networks, Expert systems, Case base reasoning, Web Usage Mining. Genetic Algorithm.

Tools: SAS, SPSS, Neural Connection, Resseta, Weka, Borland Delphi, PHP, MySQL Database. Interbase Database, Basic, Pascal, HTML, Javascript.

Research Interest

- Data Mining.
- Web Mining (Privacy and Security).
- Machine learning Algorithms.
